Small Acreage Vegetation Removal with Sheep and Goats

Parameters

- 20 acres or less
- Permanent perimeter fence (or nearly)
- Livestock guardian animal (donkey or dog) will come with livestock
- Water and electricity available
- Electric netting will be used
- Within 20 miles of Auburn
- Landowner willing to help keep an eye on animals while on their property

Cost:

- \$50 fee to visit site and provide project quote (*waived if service is hired*)
- Project cost dependent on type and density of vegetation and landowner goals for vegetation removal
